My Dog's Call Name: _____ Age: _____ Sex: _____ Altered? _____

Breed (s): _____ Rabies Vaccine current until: _____

Water Experience: _____

Three traits I appreciate most about my dog: _____

Please register me for the following 2016 Monroe, Fairfield County, CT Watersports Workshops with Deborah Lee Miller-Riley. I understand directions and Instructions will be emailed to me.

Step-up for Platform Skills.

Saturday, April 30th 2016, 11:00 a.m. to 3:00 p.m Fee: \$75.00

This program is designed to benefit teams training for any watersports venue that asks the dog to move toward a target destination such as a boat, platform or shore.

Learn how to perform and strengthen CWS platform skills. How to use targeting concepts to teach and strengthen stays, recalls, and go-outs to the platform. For more advanced teams we will increase send distances and use directional signals to strengthen platform discrimination between platforms. This is dry-dock training will take place on the beach with all its glorious distractions. The dog should have a basic understanding of targeting -- to touch a tile or target stick -- and be able to work off leash.

PART ONE: Take, Go-out and Drop -- Dry Dock

Saturday, May 28th 2016 11:00 a.m. to 3:00 p.m. Fee: \$75.00

This program is designed to benefit teams training for any watersports venue that asks the dog to deliver an article to a destination such as a zone in the water or to shore.

Land based training for a go-away with an article and drop on cue. Behaviors: Drop on cue at a distance; Go-away to destination; Go-away to destination with article; Go-away with article and drop on cue; Jump-turn-take and go. Dog should have a take and hold behavior to benefit the most from this workshop. Distance work is off-leash.

PART TWO: Take, Go-out and Drop: -- Splash Session

Saturday, June 25th 2016 10:00 a.m to 3:00 p.m. 3.5 hrs with 1.5 hour break. Fee: \$75.00

This program is designed to benefit teams training for any watersports venue that asks the dog to deliver an article to a destination such as a zone in the water or to shore.

Taking the lessons learned in Part one to the water to build swim distance and control. Focus is on a straight go-away to the destination, building distance for the drop on cue. For those ready, a platform jump, return, take and go, will be added. Teams will be working in waist deep water -- swimwear and safety gear required.

I am enclosing a fee of _____ for the above indicated Workshop(s). I have read and understand the CWS refund policy. I have read and signed the participation agreement on page two of this form.
